FINANCIAL VISION, LLC RANKED NATIONALLY BY CPA WEALTH PROVIDER

Williamsburg, VA (September 19, 2008) - CPA Wealth Provider, one of the accounting profession's leading trade journals, has listed Witt Mares Financial Vision, based in Williamsburg, VA, in its \$100+ Million Club in that publication's second annual ranking of CPA firms by assets-under-management.

Assets-under-management (or AUM) is the gauge used by financial services companies in the mutual fund and money or investment management business to determine the size of the firm.

"This is very gratifying," says Witt Mares Financial Vision Managing Director David Bush. "The Witt Mares Financial Vision philosophy of investing is distinctive. Rather than actively selecting investments or attempting to time the market, we rely on decades of Nobel Prize-winning academic research which indicates that passive asset class investing is the winning investment strategy."

Witt Mares, PLC, a regional accounting and business consulting firm, is the parent company of Witt Mares Financial Vision, LLC.

"Our firm is unique in its ability to combine asset management, financial planning, and wealth strategy services through Witt Mares Financial Vision with Witt Mares' tax, consulting, and audit services," notes Bush. "That combination allows the firm to provide clients with sound recommendations designed to help them achieve their financial goals."

Witt Mares Financial Vision began providing clients with access to the kind of high-quality, low-cost, tax-efficient mutual funds typically available only to large, institutional-level investors through its affiliation with St. Louis-based BAM Advisor Services.

Most recently, Witt Mares Financial Vision expanded its advisory/asset management services for clients to meet the specific needs of high net worth clients. That expansion includes addressing four intertwined topics – wealth enhancement, wealth protection, wealth transfer, and charitable giving.

"The bottom line is that we want our clients to have a positive, long-term investment experience and an advisor relationship built on personal trust and company-wide integrity," Bush concludes.

Witt Mares Financial Vision, LLC, based in Williamsburg, VA, serves clients throughout the Mid-Atlantic as a registered investment advisor to individuals, businesses, trusts, partnerships and retirement plans. Witt Mares Financial Vision is a division of Witt Mares, PLC.
